## MINUTES OF WILMINGTON PRESBYTERY

The churches of Presbytery were reminded again of the necessity of meeting the quotas for the Wm. Black Home.

The following guests were introduced Rev. C. R. Steagall, of Atlanta Presbytery, and Rev. W. F. F. Little, of Granville Presbytery, who were invited to sit as visiting brethren pending their reception into Presbytery; Dr. Marshall Woodson, President of Flora Macdonald College; Rev. J. W. Ware, of Jersey City Presbytery, of the Presbyterian Church in the U. S. A.; F. T. Read, Jr., Student Supply at Lake Waccamaw; and Elders J. B. Huntington, of St. Andrews-Covenant, and A. E. The host pastor, Rev. W. H. Goodman, gave a message of welcome.

In connection with his oral report for the Permanent Committee on Educational Institutions, Rev. A. K. Dudley presented Dr. Marshall Woodson, who spoke on and in behalf of Christian Education. Presbytery received the report as information and adopted the following resolutions:

1. That a greater effort be made to enroll our Presbyterian youth in our own schools. To that end local churches are urged to send the Director of Educational Institutions in the Synod the names of High School Juniors and Seniors so that information may be sent them on our colleges.
2. That prayer be made for these Educational Institutions, the administrators, and the Faculty from time to time, especially on the days designated by Synod; and that Presbytery be led in prayer at this time for this purpose by the Moderator.
3. That the Presbytery and each local church include this cause in the Benevolent budget for as large an amount as possible.

The report of the Permanent Committee on Christian Education and Ministerial Relief was presented by the chairman, Rev. Wade H. Allison, and was adopted as follows:

### **REPORT ON CHRISTIAN EDUCATION AND MINISTERIAL RELIEF**

Your Committee on Christian Education and Ministerial Relief presents the following facts about the work of the Committee in our Assembly and in our Presbytery:

1. On March 31, 1950, all functions "having to do with schools and colleges, student work, candidates for the ministry and mission service" together with "such funds as were used for educational and student loan purposes" were, in accordance with the instructions of the 1949 General Assembly, transferred to the Board of

Education in Richmond, Va. The division of this work resulted in a reduction of the benevolence percentage askings for the work of the Board of Annuities and Relief from 13.25% to 7.75%. All of this askings will go for relief, but it is urgent that all churches contribute the full amount requested if beneficiaries of Relief are not to be greatly disappointed. Four ministers and one widow in Wilmington Presbytery are beneficiaries of this fund.

2. The Church can be encouraged by the scholastic rating and financial condition of most of the Church's institutions of higher learning. Much remains to be done in the matter of endowing our colleges and seminaries for the essential Christian service they alone can render.

3. The Ministers' Annuity Fund has now completed ten years of service, and the actuaries report the Fund in excellent condition with assets adequate to meet all obligations guaranteed in the Official Plan.

4. It is encouraging to know that the number of candidates for the Ministry and Mission Service during 1949-50 rose to a peak in the Church's history, namely 753. On the other hand we note with regret that a large number of former candidates have abandoned their plans for the ministry for various reasons. At present there are seven candidates on the roll in Wilmington Presbytery.

5. The Board is glad to report that the financial receipts from all sources for "Christian Education and Ministerial Relief" for the year amounted to \$530,115.32, an increase of \$1,737.73. Wilmington Presbytery contributed \$6,735.37, an increase of \$1,837.53.

Rev. B. E. Dotson, Chairman of Presbytery's Committee on Evangelism, gave a brief resume of a special meeting held in Wallace and stressed again the urgency of evangelistic emphasis in each church. He presented Elder A. E. Gibson of the Wilmington First Church, who had been selected as Chairman of a special Committee to head up the Presbytery-wide evangelistic plans and efforts. Mr. Gibson delivered a very stirring and thought-provoking talk on Evangelism. He called for cooperation, encouragement, and help from minister and layman alike. He offered, on behalf of the Committee, all necessary help for putting on an evangelistic campaign in any local church. Rev. L. A. Taylor briefly summed up the two main plans suggested for the churches, the Laymen's Christian Mission and the 12 or 8 day plan as proposed by James M. Carr, Secretary of the Town and Country Department of the General Assembly.

The ministers present gave a unanimous pledge of support and cooperation in the evangelistic work.

The Moderator appointed the following Standing Committees:

Time and Place of Next Meeting—Rev. N. P. Farrior, Rev. W. B. Hood, Elder M. C. Bowden.

After full discussion it was not adopted, the vote being 24 for and 25 against. Presbytery voted to send the following resolution to the Mountain Retreat Association:

### **RESOLUTION**

The Presbytery of Wilmington hereby resolves:

1. That it deplores the action of the Mountain Retreat Association, of Montreat, N. C., through its Board of Directors, in abolishing racial segregation at Montreat.

2. That it, in its considered judgment, believes that this injudicious measure will actually serve to alienate the races and destroy the progress which has been made toward Christian fellowship.

3. That it earnestly recommends that the whole question of intrachurch race relations at Montreat be reconsidered on more realistic grounds in the interest of Christian good will between the races.

The following asked that their names be recorded as opposed to this action of Presbytery: Rev. E. D. Withers-

BEN F. BROWN, Chairman

The Committee on Time and Place of Next Meeting reported through its chairman, Rev. N. P. Farrior. The report was adopted.

### TIME AND PLACE OF NEXT MEETING

The Committee recommends that Presbytery accept the invitation of the Hopewell Church for the meeting to be held October 10, 1950, at 10:00 a. m. This invitation was accompanied by the statement that this will be the 150th anniversary of this church. It seems especially fitting for Presbytery to meet in this church.

Elder F. S. Wilson, of the Jacksonville Church, was nominated as Moderator for the next meeting of Presbytery.

Rev. J. A. Marrow requested that the pastoral relationship existing between him and the Currie, Pike, and Rocky Point churches be dissolved and that he be granted a letter of dismission to East Hanover Presbytery, effective August 1. Elders from the churches reported that the congregations concurred in the request, but only with great regret. After expressions of esteem and regret Presbytery voted to dissolve the relationship and to grant the letter of dismission. The Stated Clerk was instructed to send a letter of commendation with the letter of dismission.

## MINUTES OF WILMINGTON PRESBYTERY

### **ADJOURNED MEETING**

Wilmington Presbytery met in an adjourned session at the Grove Church, Kenansville, July 25, at 10:00 a. m.

After a quorum had been declared present, Presbytery was opened with prayer by Rev. Ben F. Brown. The following were enrolled:

Ministers: Priestley Conyers III, Ben F. Brown, Wade H. Allison, H. Reid Newland, J. M. Smith, J. M. Newbold. (6)

Ruling Elder: R. V. Wells. (1)

The minutes of the previous part of the meeting held at Beulaville, July 11, were read, corrected, and approved.

Rev. Wade H. Allison, Chairman of the Committee on Christian Education and Ministerial Relief, reported on the current status of Mr. J. T. Hayter, Jr., now supplying the Grove Church. Abingdon Presbytery refused to dismiss him to Wilmington Presbytery as he had not finished his seminary work, so no action was possible. However, the Stated Clerk of Abingdon Presbytery sent word that a petition was being circulated in that Presbytery to rescind the action of Presbytery in this matter and that a called meeting in that Presbytery had been set for August 1.

In view of this information, Presbytery voted to hold another adjourned meeting at Grove Church, Kenansville, July 8, at 10:00 a. m.

The Commission to install Rev. C. R. Stegall as Associate Pastor of the St. Andrews-Covenant Church was dissolved upon the recommendation of the session of this church since Rev. Stegall is entitled to one more year under the Board of World Missions, a fact which will materially affect his eventual retirement pay. At the end of the year the way will be open for his installation.

The minutes were read, corrected, and adopted.

Presbytery adjourned after prayer and the benediction.

H. REID NEWLAND, Permanent Clerk

M. G. STIMPSON, Clerk

The following guests were introduced and welcomed: Rev. D. P. McGeachey, Candidate J. T. Hayter, and Elder J. B. Huntington.

Rev. B. E. Dotson, Chairman, brought in the report of the Permanent Committee on Evangelism. It was adopted as follows:

### **REPORT OF THE PERMANENT COMMITTEE ON EVANGELISM**

We thank God for the increased interest in Evangelism in our denomination and in our Presbytery. We thank God for the gains made last year through the Visitation Campaigns, for the many souls who accepted Christ as their Savior during the last church year, and for those who renewed their contact with His work. We also thank Him for our privilege to help in this work and the blessing it gives to all who witness in Christ's name.

We confess the failures, as individuals and a denomination, in Evangelism. In asking God's forgiveness for wasted opportunities to present our Savior to the lost, we dedicate ourselves to this task in the future.

The prospects for Evangelism lead us to say "the fields are still white unto the harvest." About 50% of the people within the bounds of our Presbytery make no profession of their faith in Christ as Savior. About 50% of those people within the bounds of our Presbytery who have at some time in life joined a church are not now actively associated with any of the Lord's organized work through the Church. Thus we see that about 75% of the people around us are prospects for active church membership. "The fields are white unto harvest."

Therefore we recommend:

1. That each minister and Session have a prospect list. This may be compiled by getting the names of each member in the families represented on our Sunday School and Church rolls and by giving the members an opportunity to hand in names.

2. That each church train at least 5% of its membership in the fundamentals of visiting prospects and inviting them to "come, follow" Jesus or transfer their membership to the local church.

3. That each church in the Presbytery participate in an Evangelistic Meeting and Visitation Campaign in a spirit of prayer and expectancy.

4. That on each Sunday prayer for and invitation to the lost be given.

## MINUTES OF WILMINGTON PRESBYTERY

5. That Sunday School teachers present the claims of our Lord to their class members and invite the unchurched to "come".

6. That we thank the Program of Progress committee and all those who have given of their time for the program of Evangelism in our Presbytery this church year.

7. That all our churches covenant to pray, as has Rockfish, for the lost.

B. E. DOTSON, Chairman

An oral report on the Barium Springs Orphanage was given by Rev. Ben F. Brown. It was received as information.

An oral report for the Permanent Committee on the Bible Cause was presented by Rev. Priestley Conyers. The report was received as information and the following recommendations adopted:

### REPORT OF THE PERMANENT COMMITTEE ON THE BIBLE CAUSE

#### Recommendations:

1. That the churches participate in the World Wide Bible Reading from Thanksgiving to Christmas.

2. That the Bible Cause be presented on Universal Bible Sunday, December 3.

3. That all ministers strive to hold before their members the Word of God as the supreme authority for the Christian.

PRIESTLEY CONYERS, Chairman

The report of the Special Committee on the Program of Progress was presented by the Chairman, Dr. W. C. Mebane. In connection with this report, Mr. John Diefell was invited to speak. The report was received as information.

The Nominating Committee brought in the following report, which was adopted:

#### **REPORT OF THE NOMINATING COMMITTEE**

Since Presbytery has instructed its Committee on Nominations to act upon the following motion, "That Presbytery appoint a reporter or Publicity Committee who will furnish news releases to all the newspapers within the bounds of Presbytery, from time to time, and to the daily papers generally read in this sector, and to the Church papers," your Committee submits the following names for a Publicity Committee of Presbytery: Rev. Wm. Crowe, Jr., Chairman, and Mr. Walter Webb, of the Wilmington First Church.

J. M. SMITH, Chairman

the opportunity to have a part in its Sesquicentennial being celebrated at this time.

This historic spot is made more personal to us by the reminiscences of former pastors, which also greatly enriched the spiritual atmosphere of this session of Presbytery.

The Presbytery also wishes to express its thanks to Mrs. C. F. Mallard, Jr., to Mrs. M. G. Stimpson, to the Rev. O. P. McGeachey, and to the Rev. P. L. Clark for their contributions to the program.

Especially do the members of Presbytery express their sincere appreciation for the bountiful and delicious food provided for their physical needs.

Presbytery requests that a copy of this resolution of thanks be read at the next meeting of the Session of Hopewell church.

B. F. BROWN, Chairman

The Committee on Bills and Overtures reported as follows on the amendments to the Book of Church Order sent down to the Presbyteries:

We recommend that Wilmington Presbytery approve the following amendments to the Book of Church Order:

1. Amendment to Paragraph 74 on Reception of Ministers, found on page 59 of the Minutes of the General Assembly, 1950.
2. Amendment to Paragraph 96 on Temporary Supply, on page 61 of Minutes of the General Assembly.
3. Amendment to Paragraph 126 adding "Mission Pastor and Minister of Education" found on page 126 of the Minutes of the General Assembly.
4. Amendment to Paragraph 140 on Ordination of Minister, on page 49 of the Minutes of the General Assembly.
5. Amendment to Paragraph 362 on Receiving Members on Profession of Faith, on page 49 of Minutes of the General Assembly.

PRIESTLEY CONYERS, Chairman

In each case the Amendment was approved by the vote of 43 to 0.

Presbytery accepted the report brought in by the Committee on Time and Place of the Next Meeting which extended, on behalf of Flora Macdonald College, an invitation to meet in Red Springs, N. C., January 16, 1951.

Rev. C. B. Craig, Chairman, reported that no excuses for absence had been presented to the Committee on Leave of Absence. Again the roll of Ministers and Churches was called and Presbytery noted the unexcused absences. No record was made but Presbytery instructed the Stated Clerk to notify church sessions of such delinquencies henceforth.

The Moderator appointed the following Ad Interim Committee to draw up a Plan of Reorganization for Pres-
